Academicians attend forum on science, arts, and humanities at UM

The Centre for Chinese History and Culture, Faculty of Arts and Humanities, University of Macau, recently organised a forum on science, arts, and humanities. Academicians in the related fields from mainland China and Hong Kong, as well as professors from UM, attended the forum. They explored the close relationship between science on the one hand, and arts and humanities on the other, as well as the future of these disciplines. Participants also had an in-depth discussion on the core values of human civilisation.

For the full version, please refer to the Chinese version.
